

CARLO Trend, Model Classic

beka DIFFERENT
BY DESIGN

Benefits for your nursing staff and your residents ...

- ✓ Carrier frame and lifting column made out of aluminium and steel
- ✓ Extra light and easy to maneuver
- ✓ High-quality lockable double castors
- ✓ Electrical height adjustment and electrically spreadable carrier frame
- ✓ 2-point sling spreader bar can be lowered to the floor
- ✓ No unsettling pendular or rotational movements during lifting and transferring thanks to the patented anti-rotation mechanism (ARM)
- ✓ Can easily pass underneath both bath tubs and care beds
- ✓ Hand control with display of the battery charge status
- ✓ Working in an ergonomic and health-orientated manner, as no manual lifting is required
- ✓ Large choice of comfortable loop slings of different sizes
- ✓ Also available with patient scale

- ✓ 2-point sling spreader bar
- ✓ Anti-rotation mechanism (ARM)
- ✓ SWL: 185 kg or 205 kg

- ✓ Also available with a 4-point sling spreader bar
