FEEL GOOD.
RELAX.
FEEL SAFE.

TIMELESS. AESTHETIC. CLEVER.

Our goal is to make every care routine a very personal, individual feel-good experience for your residents, while at the same time facilitating the work of the caregiver and enabling a pleasant, ergonomic working posture.

With intelligent features, our shower chairs offer tangible benefits that increase the comfort and safety of your residents. Ergonomic seat cushions, pleasantly soft material invite you to take a seat and feel good.

JAMES

UNIQUE. ADJUSTABLE BACK RACK.

The extraordinary is in the details. For optimum hygienic care, the James model can be fully extended to 55° thanks to the additional 30° adjustment of the backrest, the James model can be fully extended to 55°. Safe. Stable. Comfortable. This feature makes it unique on the market.
